## CHAPTER 12

**MORE OFFENSIVE BEHAVIOR IN OCTOBER!**

# CRAYON Shinchan

**By Yoshito Usui.** A police officer only wants to do his job and help a lost little boy. But when that boy is Shinchan, he might want to help him stay lost! Shin disrupts a soccer game, throws a chiropractor out of alignment, and exposes the host of a popular dance show—literally. Of course none of this stops him from trying to prove to Santa that he's a good little boy in time for Christmas.

# Meet the Noharas!

**SHINNOSUKE NOHARA**

**(aka: Shin, Shin-chan, Shin chan, Shinchan)**

5 years old. Likes pretty girls, drawing on himself, rolling around on the floor, and eating a tasty snack called Choco-bees. Frequently uses both words and his Mom's clothing in inappropriate ways. Also obsessed with bodily functions – his own and others'.

**MITZI NOHARA**

**(aka: Misae)**

Shin's easily frustrated mom. She's a stay-at-home housewife with the misfortune of being Shin's full time caretaker. Mitzi hasn't done much better in the husband department either, as Shin's Dad's behavior has to be closely monitored too. Frequently fantasizes about a better life.

**HIRO NOHARA**

**(aka: Hiroshi)**

A browbeaten "salary man" who is the family's sole breadwinner. He's low on the totem pole at work and doesn't get much respect at home either. Like son, like father: Hiro has the eye for the pretty girls too, and Mitzi's none too tolerant of it. He talks a lot in his sleep, which doesn't help things much.
